

AMITY CEU UCH PROGRAM

Internships at schools in the USA

CEU | *Universidad
Cardenal Herrera*

If you want to cross the pond, the university offers an international internship program in the United States with AMITY Institute.

These international internships offer you the opportunity to experience a total immersion in American culture and the English language, as well as to gain experience both professionally and personally.

WHAT IS IT ABOUT?

The duration of the program is 10 months, i.e. one academic year. The paid internships in Pre-school or Primary schools will be validated by the Practicum I at 100% and the validation of the Practicum II (4th year) will depend on the mention chosen in each school:

- **Early Childhood Education:** English and Guidance and Tutoring
- **Primary Education:** Hearing and Language, Special Education, Physical Education, Music Education, English and Guidance and Tutoring : The mention of English gets 100% validation.

The rest of the subjects of 4th can be taken in the 1st semester of 3rd (1 FB + 2 OB + 2 OP) and the TFG is taken at UCH CEU (online follow-up)

In double degrees, the Practicum I will be validated if it is in a school of Early Childhood and the Practicum II will be validated if it is in a school of Primary Education and the corresponding mention. The validation of Practicum I + II if there is a change of stage in the school (Practicum I, Infant) (Practicum II, Primary with the corresponding mention).
